

Artemis Gallery Presents

VIVA!

A Runway Fashion, Photoshoot, & Music Event
First Friday June 3rd

This summer, Artemis Gallery has an amazing show lined up! We have planned live music, photography, and a fashion show! After all summer is all about the heat, so we're showing you what's hot! This is one show you don't want to miss! Come see some amazing hand made clothing designed by local designers Jessica Lemmer, Samantha Smith, Jasmine Mills, and more! Featuring everything from recycled fashion to wearable art to everyday wear!

Jessica's line of recycled streetwear is called Chop Shop. She specializes in taking old outdated clothes and cutting and manipulating them into a fun streetwear look! Samantha Smith's clothing line, also known as Abydis Clothing, is inspired by places in Africa. She makes simple yet bold looks to create something fun yet sophisticated for the contemporary shopper, no matter what age! Jasmine Mills owns Wild Child Designs. She hand crochets all of her clothing herself. Her clothes are enough to grab anyone's attention, even the Richmond Times-Dispatch!

Live music in front by local artist Paul Beverley who will be performing his own versions of famous 60s hits! We will also have some special guests performing in our back yard! Live photography provided by Keith Deringer Photography. We can't wait for such an exciting event and we look forward to seeing you there! Come pick out a gift and have a great time at Artemis Gallery!
