

# ARTEMIS GALLERY PRESENTS Mixed Media Salon

First Fridays Dec 2nd & 16th  
1601 W Main St

5pm - 10pm  
804 - 353 - 2676

This holiday season Artemis Gallery will be featuring new regional artists in our December group exhibition. Works will be fun, light-hearted, funky, interesting, challenging, creative, one of a kind pieces which make great affordable gifts. As one of the top 100 galleries in the country, we are extending this exciting exhibition opportunity to new artists in the area!

Every December, Artemis Gallery hosts a holiday party featuring a unique selection of works for the discerning shopper. We will have a preview on First Friday Dec 2nd and an opening Dec 16th.

In the art world, juries and galleries sometimes reject visionary artists based entirely on a jumble of preestablished standards and politics. On the other hand, here at Artemis Gallery we hold adamantly to our belief that no artist can rightfully or accurately be judged by any jargon of preset criteria, and likewise on December 2nd we will be presenting the Richmond public with our show, the Mixed Media Salon. Artemis Gallery is providing a unique opportunity for artists to display their work, which may have been rejected from previous art exhibits.

Stop by this December 2nd First Friday on Main Street to see our new talented artists display their pieces, engage the general public, meet the artists face to face, and to learn the history of the creation process!
